

FIRST EAGLE

Andrew Salk
President

We are heartbroken by the senseless killing of George Floyd and so many other Black Americans. We should not and cannot remain silent anymore. We stand in solidarity with the Black community, calling for and demanding an equitable life for all.

First Eagle Bank has never and will never tolerate racism. Our vision statement is to make a positive difference in people's lives—our customers, our community and each other and our work in underserved communities is now more important than ever. Every person deserves the same opportunities, regardless of their background.

For over 25 years, First Eagle Bank has served local communities, to build and support our neighborhoods. The strength in our communities lies not in our similarities, but in our differences. As a Community Development Financial Institution (CDFI), we pledge to continue to promote racial equality and an inclusive and just economic system that works for everyone.

We can and must do more!
