

Skinner West School Field Trip to First Eagle Bank
February 6, 2015

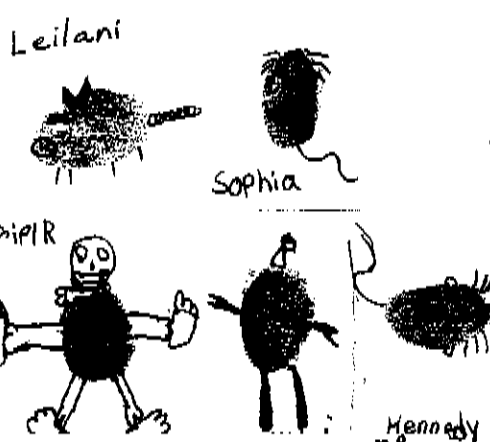

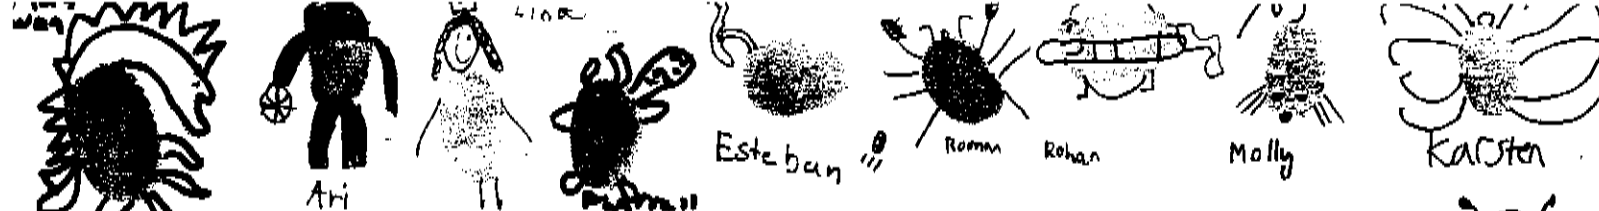

February 9th, 2015

Dear Cheri and Robert,
Thank you for giving me and
my class a tour of First Eagle
Bark. I didn't know that they could
rent a box and put their stuff in
it. My favorite part was the vault.
When I saw it I couldn't believe what I
saw in front of my eyes. I really hope
I can come again. You help people
and that is so super nice.

Sincerely,

Kennedy

Dear Cheri and Robert,

Thank you for inviting us
to come I enjoyed seeing
the vault I was very
curious how much money
there was. I learned
a lot like how you are
different from chase
I like First Eagle Bank
better than chase just
saying. Thank you.
